

ITIL® 4 Specialist: Create, Deliver & Support (CDS) with Exam eLearning Course Overview

ACCREDITED TRAINING ORGANIZATION

PeopleCert ON BEHALF OF AXELOS

About The Course

The ITIL® Specialist – Create, Deliver & Support (CDS) is one of five courses needed to achieve ITIL 4's Managing Professional (MP) designation. When you purchase this product directly from the ACGC website you will receive the following:

- 12 months access to the ITIL®4 CDS course online
- 1 x Exam Voucher from PeopleCert

The ITIL 4 CDS course covers the integration of a number of "IT" areas of work: from design, to build and test, launch, run and support of products and services.

The course provides information and guidance across a number of areas that are required to build and maintain a broad "professional" portfolio: collaboration, strong and positive culture, integrated teams, and employee satisfaction.

The ITIL 4 CDS module is part of the ITIL 4 Managing Professional (MP) stream, which provides practical and technical knowledge about how to run successful IT-enabled services, teams and workflows.

The CDS course focuses on these key ITIL 4 practices:

- Deployment management
- Release management
- Change enablement
- Service Desk
- Problem management
- Knowledge management
- Service level management
- Monitoring and event management
- Incident management
- Software development and management

Course Requirements

For this course you are required to have successfully attained your ITIL 4 Foundation certificate. You will need to provide us with a copy of your certificate upon registration in order to be admitted into this course.

Target Audience

This course is aimed at IT service management practitioners who are seeking to obtain the ITIL Managing Professional (MP) designation, and/or responsible for the operation of IT-enabled and digital services and for end-to-end support and delivery.
